Notes: \_\_\_\_\_

\_\_\_\_\_

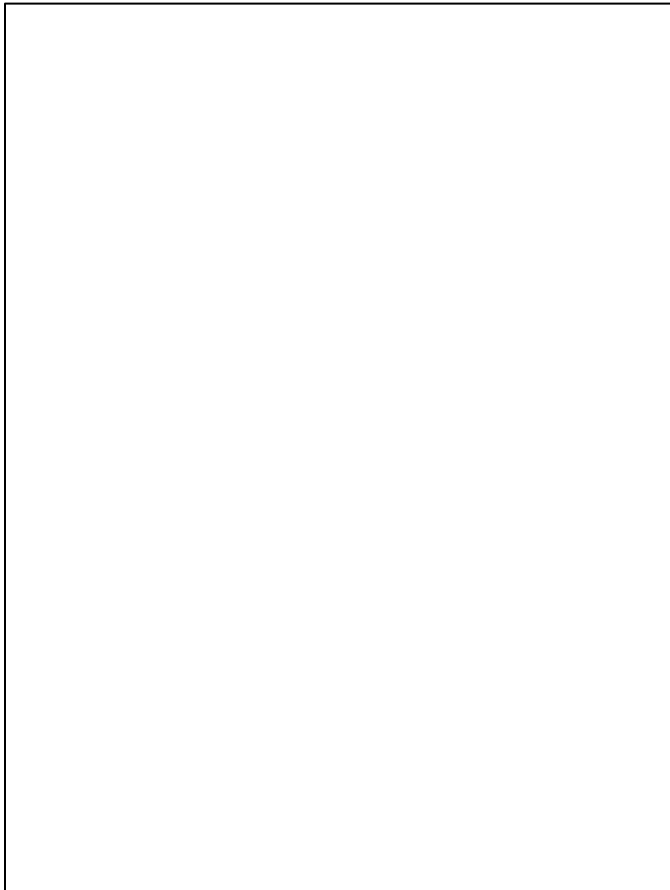

\_\_\_\_\_

\_\_\_\_\_

Please draw in all windows and doors with dimensions (door swings out). Draw in other options (porch, lean to/carport, etc.....) **NOTE:** The trailer will be reversing to the shed's location; it is **CRITICAL** that the shed is loaded onto the trailer in the proper orientation. The shed is to be installed lengthwise (front to back) on trailer. Incorrect information can result in extra installation charges.
